NOTICE OF APPEAL

ZTG INC {U-6651-C} files this Notice of Appeal from Citation No. CD-2022-09-021 in the amount of \$3000 issued on October 28, 2022, by the Communications Division Pursuant to Resolution T-17601.

The rationale for the appeal is as follows: [Provide statement. Add pages as required.]

Please accept my sincere apologies for failing to file the required documents on time. I've corrected this issue and all documents have been filed satisfactorily. The reason for this mishap was that I contracted COVID in late 2021 and slowly recovered in early 2022. During the quarantine and throughout my recovery I relocated to Baja California and was absent in my business. Health and survival became my priority. I slowly recovered and returned to work after the COVID pandemic had destroyed most of my business.

I've filed for government loans to remain in business and pursue opportunities. Regretfully it has been an uphill battle, but I am hopeful that the challenges will improve. Unfortunately, I don't have the available funds of \$3000 (citation penalty) and would like to request its inapplicability. I plan to be more diligent now that I can focus on my business to prevent this to occur again.

If after reading this written appeal a formal Appeal Hearing is necessary, then please let me know to plan accordingly. I thank you in advance for your consideration. I am available to answer any questions via mail or telephone.
